

**Are you passionate about helping people? If so, join the team of clinicians who make a difference in lives and communities! Maryland Treatment Centers, Inc has multiple facilities that provide treatment for individuals with addictions and co-occurring disorders. We are looking for certified and licensed clinicians in our Rockville locations. Clinical supervision is provided for individuals who are pursuing addiction certification, LCPC, and LCSW licensure.**

### **Responsibilities:**

- Demonstrate ability to effectively engage clients with substance abuse and mental health issues.
- Demonstrate ability to understand medication assisted treatment.
- Provide individual, family and group counseling sessions with focus on addiction related topics.
- Responsible for intakes and assessments, problem identification, treatment planning, recording progress notes, and developing discharge plans, review of continuing care plans.
- Responsible for maintaining contact with referral sources and other agencies involved in client care (i.e. child welfare and criminal justice system).
- If licensed, knowledge of best mental health practices for co-occurring clients
- Ability to provide individual, group and family therapy.

### **Requirements:**

- Associates Degree or higher in chemical dependency or related field
- 2 – 4 years experience in behavioral healthcare, specifically addictions or related field.
- Must have minimum of **Alcohol and Drug Trainee Status** or one of the following certification or license with the State of Maryland: Licensed Graduate Alcohol and Drug Counselor (**LGADC**), Licensed Graduate Professional Counselor (**LGPC**), Licensed Graduate Social Worker (**LGSW**), Certified Associate Counselor-Alcohol and Drug (**CAC-AD**) or Certified Supervised Counselor-Alcohol and Drug (**CSC-AD**).
- Ability to multi-task
- Ability to complete paperwork in a timely manner
